**Do you just want someone to give your baby to, keep it safe, and make sure your baby gets a good home?**

*Glendale Community Center now an enrichment magnet offering after-school care and activities*

The city of Glendale has awarded 30-year-old nonprofit, Partners in Action (PIA) the management of the Glendale Community Center to deliver after-school enrichment programs to neighborhood youth.

PIA assumed management of the Glendale Community Center, 5401 W. Ocotillo Rd., June 1, 2016 and immediately began rolling out summer programs and activities for youth along with the fall line-up of free programming for the upcoming school year. Not only will the center provide a safe and structured environment for local children, it will serve the community's working parents by providing quality after-school care. Programs such as sports, youth mentoring, homework assistance, reading, dance and even English as a second language classes for adults will be offered.

The Scottsdale-based international nonprofit operates orphanages and manages humanitarian projects in 30 countries around the world and is active within the Valley with multiple philanthropic organizations.

"Thanks to Partners in Action, the new programs at the Glendale Community Center are a great extension of positive community preservation," said Glendale Councilmember Jamie Aldama. "The children and families in the Ocotillo neighborhood have a place to go that is entirely focused on their growth, enrichment and safety."

Recently reopened with refreshed interior and exterior public areas, the center is now welcoming neighbors to take advantage of the recreational activities being offered throughout the summer, including games and arts and crafts. Regular community barbecues are being scheduled monthly to promote neighborhood gatherings and familiarize the community with the center's new management

"The Glendale Community Center is so much more than a place to go hang out," said Jerry Bowman, CEO, Partners In Action. "It's a place that will have lasting effects on kids' lives as they gain life skills, receive valuable adult support and mentorship, and find a safe haven and alternative from risky choices that often begin in those unsupervised after-school hours."

PIA is planning an open house at the beginning of the new 2016-17 school year to introduce the neighborhood to the PIA directors and the new afterschool programming. In the fall, additional programming is expected to include Ambassadors of Compassion youth mentoring, a STEM program, field trips, nutritional programs, and for parents, financial literacy classes, and coaching and sports administration certification programs.

Programs will be operated and managed by expert third-party organizations Ambassadors of Compassion, which teaches leadership, character and responsibility, and PlayWorks, a California-based national nonprofit that supports learning and physical health by providing safe and inclusive play to low-income students.

The YMCA, which currently provides programs at the Center, will continue to offer classes.

In addition to the programming, PIA is planning additional facility upgrades to accommodate its new activities.

## About PIA

You have options. Arizona has the **Safe Haven Law** that identifies places where mothers can safely and anonymously give up their babies without fear of prosecution. We have a Safe Haven crisis response team available to assist you with questions, options and resources, 24/7. Call 1-866-707-2229.

If your baby is unharmed, is under 72 hours old and you don't intend to reclaim your baby, you have options! Simply bring your baby to the Safe Haven locations:

**Any Hospital  
Any Ambulance  
Any Designated  
Adoption Agency  
On-duty Fire Stations  
Any Designated  
Church**

You must hand your baby to a person at above locations or may place baby in Safe Haven drawer at designated hospitals. Tell them this is a safe haven baby and you may leave. Your baby will be cared for and a good home will be found for the baby.

## GLENDALE RECEIVES AWARD FOR REGIONAL TRANSIT PARTNERSHIP

---

### *Enhanced Dial-A-Ride Services Now Offered*

The city of Glendale, along with 14 other partnering municipalities, the county and Valley Metro, has received the Maricopa Association of Governments (MAG) 2016 Desert Peaks Award for Regional Partnership in recognition of its role in the recent Regional Paratransit Plan Update.

A key component of the plan update is the new Dial-A-Ride service guidelines which simplify the user experience for paratransit riders who may be unable to use the bus and rail service for some of all of their trips.

Glendale Councilmember Lauren Tolmachoff of the Cholla District, who serves as the city's representative and treasurer of the Valley Metro Board of Directors, accepted the award on behalf of the city during a special ceremony on June 22.

The new regional model provides consistency between ADA paratransit service providers and eliminates the need for transfers between multiple service providers on a one-way regional trip. "This significantly reduces trip times and enhances safety and comfort for Dial-A-Ride users," said Tolmachoff.

ADA paratransit is shared-ride, door-to-door transportation provided via vans and taxicabs to people with disabilities who have limited ability to ride or access to fixed-route buses or trains. Until recently, paratransit Dial-A-Ride services operated within the Valley Metro region as five separate systems with varying service hours among the separate providers and required the rider to transfer from one service provider to another when traveling into different jurisdictional boundaries or city limits in the course of a one-way regional trip.

The new regional Paratransit service can be accessed by each of five Dial-A-Ride programs operating in the greater Phoenix area. This includes Glendale Dial-A-Ride, Phoenix Dial-A-Ride, East Valley Dial-A-Ride, Peoria Dial-A-Ride and Northwest Valley Dial-

A-Ride. For travel within each of these Dial-A-Ride areas, riders can call the local Dial-A-Ride service provider.

Glendale residents can call the city's Dial-A-Ride Information Line at 623-930-3502 for additional information about the enhanced paratransit services, or visit [www.valleymetro.org/accessibility](http://www.valleymetro.org/accessibility) to learn more about accessible fixed-route bus and rail services.

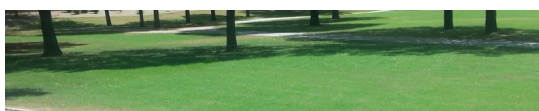

The Desert Peaks Awards were initiated by MAG to recognize individuals and partnerships that have demonstrated a commitment to regionalism through their cooperative efforts.

## Residents Reminded Standing Water Invites Mosquitos

---

*As Monsoon Rains Continue, Glendale Gives Tips to Safeguard Against Mosquito-borne Illnesses*

With months of monsoon activity still ahead of us this summer, the city of Glendale reminds residents to eliminate standing water to protect their homes and families against mosquitoes and diseases such as West Nile virus.

"We often see a dramatic increase in mosquitos around standing water, depending on the amount of rain each monsoon season," explains Monica Rabb, Glendale environmental program manager.

The best way to eliminate mosquitoes is to eliminate their breeding sites. Residents, businesses, homeowner's associations, and municipalities are all responsible for eliminating and preventing mosquito breeding on their property.

Glendale Parks Division oversees the preventative treatment and elimination of mosquito breeding at city-operated facilities, including city parks, wildlife habitats, and retention basins.

Parks crews begin applications of larvacide treatment each year around April. Crews continue mitigation and ongoing inspections of known areas for standing water after rains, irrigation breaks or water related issues within 24 to 36 hours following each rain event through late October.

Additionally, park rangers monitor flood-irrigated parks closely during monsoon season to ensure standing water does not exceed a 36 hour threshold. Mineral oil is also used as needed in the form of a proactive larvacide treatment.

Standing water, even in the shallowest containers, acts as a breeding ground for mosquitos, so follow these essential preventive measures to fight the bite:

Reduce the number of mosquitoes around your home. Mosquitoes breed in standing water and their eggs will hatch within days after it rains. Check your yard once a week and after it rains, and get rid of containers that collect water. Empty water from flower pots, change water in bird baths, and check for any leaky water equipment.

- Report any pools in your neighborhood that are not being maintained properly. Occupied

homes should be reported to Glendale's Code Compliance Division at 623-930-3610; unoccupied homes should be reported to Maricopa County at 602-506-0700.

- Reduce the number of mosquito bites you get. Make a habit of using insect repellent when outdoors. Repellents should be used according to the label instructions.

- Prime mosquito-biting hours are usually from dusk to dawn. Pay special attention to protection during these hours, or avoid being outdoors.

Maricopa County Environmental Services Department monitors mosquito activity throughout the county. It also responds to all complaints related to green pools, stagnant water, dead birds and of course mosquitoes. Residents can contact the Maricopa County Vector Control Hotline at **602-506-0700** or online at [www.maricopa.gov/wnv](http://www.maricopa.gov/wnv).

**Glendale Announces New Budget and Finance Director**

---

### *Vicki Rios Selected Due to Experience and Expertise*

Glendale City Manager Kevin Phelps has appointed Vicki Rios to be the new Budget and Finance Director. Rios has served as interim director of the department since May 2015. She will manage the 2016-17 city budget of \$693 million and help keep the city on track with its goal of having a \$50 million unrestricted general fund balance by Fiscal Year 2019-20.

"Vicki has demonstrated that she has the expertise and leadership required to lead this critical department," said Glendale City Manager Kevin Phelps. "She brings exceptional experience that will serve Glendale well."

Vicki's work was described as exemplary and transparent by the Glendale City Council, city staff, citizens and community partners during the recently completed 2016-17 budget approval process which included several comprehensive presentations to the City Council.

"I am grateful for this opportunity to serve my community and I am looking forward to ongoing collaboration with the City Council, Mr. Phelps, and all of our dedicated city employees," said Rios.

Rios joined the city of Glendale in December of 2013 with 20 years of professional budget and finance experience. Most recently, she had been the Deputy Finance Director over the Tax and Licensing Division for the city of Phoenix. Rios has a Bachelor of Science degree

from University of California - Irvine as well as a Post-Baccalaureate Certificate in Accountancy and a Masters of Business Administration from Arizona State University. She is a Certified Public Accountant and a member and past president of the Government Finance Officers' Association of Arizona.

Donations of bottled water needed! Glendale Fire Department is teaming up again this year with Visit Glendale to collect bottled water donations for distribution through Heat Relief Stations to the most vulnerable populations in the region to stay hydrated and healthy.

Donated water will be accepted 10 a.m.-5 p.m., Monday through Saturday, at the Glendale Visitor Center, Suite 140, 5800 W. Glenn Dr., and at all Glendale Fire Department stations.

Employees to lend a helping hand Glendale Parks employees have taken the Heat Relief Network humanitarian cause further by providing mobile hydration assistance for people needing water. On days that the National Weather Service issues an extreme heat advisory, Glendale Park Ranger and maintenance vehicles are loaded up with coolers filled with ice-downed water bottles to hand out to people in need when encountered in City parks.

#### **Important tips to avoid heat-related illness:**

- Increase fluid intake, regardless of activity level. Staying hydrated is extremely important. Limit exercise or outdoor activity between the hours of 11 a.m. and 3p.m.
- When outdoors, wear a sunscreen with a minimum SPF 15 and reapply often.
- Wear a hat, lightweight clothing and sunglasses.
- Rest frequently in shady or cool areas to give the body's temperature a chance to recover and cool down.
- Never leave infants, children or pets inside a parked vehicle.
- Check on elderly neighbors to make sure their air conditioning is working and in use

Check on elderly neighbors to make sure their air conditioning is working and in use.  
- Take advantage of free air-conditioned spaces by visiting shopping malls, libraries, or other heat refuge locations.

Heat Relief and water bottle collection location maps are available at all Glendale libraries and community centers and online at <http://www.azmag.gov/heatrelief>. For additional information on regional heat relief efforts, please contact Celina Brun, Maricopa Association of Governments, at 602-254-6300 ex. 5130.

### **Tohono O'odham Nation Revenue Sharing**

In 2002, Arizona voters passed Proposition 202 which allowed for the continuation of limited Indian gaming on tribal lands in Arizona. Under Prop. 202, Arizona tribes agreed to share a portion of their revenues with the State of Arizona. Of the revenues shared, 12 percent is made available to cities, towns, or counties for a purpose whose benefit is to the general public through either direct distribution to the local governments or in the form of a deposit to the State of Arizona's Commerce and Economic

Development Commission's Local Community Fund.

For its 2016 revenue sharing, the Tohono O'odham Nation has chosen to contribute directly

to local governments. In addition, non-profit organizations may work with local governments to qualify for the funding available from the Nation. Therefore, the Tohono O'odham Nation is seeking Requests for Funding Proposals from Arizona cities, towns, counties, and non-profit organizations.

These proposals must address one or more of the following priority areas:

- a) Education
- b) Health Care
- c) Public Safety
- d) Child Advocacy
- e) Economic Development
- f) Cultural & Environmental Development and Protection

For information on proposal guidelines and how to deliver a proposal, please contact the Tohono O'odham Executive Office at 520-383-2028.

### Waterline Project Information

#### Olive Ave /59<sup>th</sup> Ave Waterline Improvements Construction Info

Glendale has contracted with Achen-Gardner Construction to construct waterline improvements in the intersection of Olive Avenue and 59<sup>th</sup> Avenue.

**Scheduled to begin the week of JULY 18<sup>th</sup>**, crews will work in the southbound lanes (west side) of 59<sup>th</sup> Avenue at the Olive Avenue intersection to install waterline from approximately 200 feet north of Olive Avenue to 600 feet south of Olive Avenue. Crews will then install a waterline in the westbound lane (north side) of Olive Avenue, followed by a waterline in the eastbound lane (south side) of Olive Avenue approximately 200 feet east and west of 59<sup>th</sup> Avenue.

Olive Avenue and 59<sup>th</sup> Avenue will remain open for travel during this work; however, traffic will be shifted away from the work zone and more than likely restricted to one lane in the direction work is taking place. Based on the work activity, it is expected that some or all left turns will not be permitted at the intersection or near the work zone to protect travelers and construction crews. To assist in managing traffic at the intersection, a law enforcement officer will be on-site from approximately 6 a.m. to 7 p.m. weekdays; however, traffic control will remain in place even during non-work hours to protect the work area and for the safety of travelers.

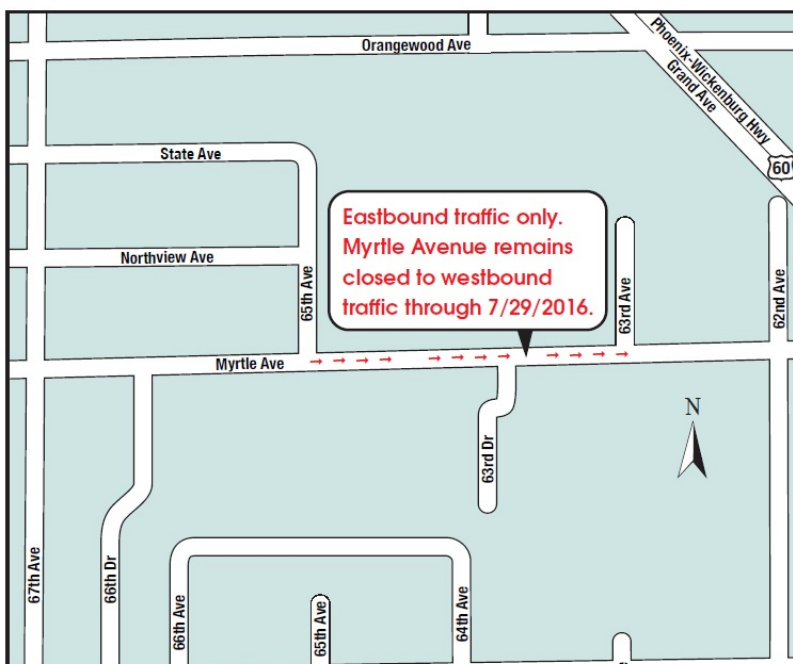

You will be notified 48 hours in advance of any planned disruption to your water service. Business and resident access will be maintained. This work is tentatively scheduled to be completed in 6-8 weeks.

*Thank you for your patience during this work!*

### Myrtle Avenue Improvements - Safe Routes to School Project

## Myrtle Avenue, 65th to 63rd Avenues (Westbound Only)

### Project Activity Update

Installation of concrete curb, gutter, sidewalk, and driveway entrances on the south side of Myrtle Avenue between 65th and 63rd avenues is nearly complete. Currently, crews are placing decomposed granite adjacent to the new sidewalk, grading the south side of the roadway and placing aggregate base material in preparation for installing asphalt pavement.

### Asphalt Paving Scheduled

In late June or early July, the contractor will install asphalt on the south side of the roadway between 65th and 63rd avenues. During this time, there will be brief access restrictions as the paving operation moves across driveways. Once the asphalt installation is complete, crews will replace the speed humps.

### Myrtle Avenue Closure

**Myrtle Avenue remains closed to westbound traffic between 63rd and 65th avenues for roadway improvements.**

Currently the contractor is maintaining eastbound traffic on the north side of Myrtle. Please watch for traffic control changes as eastbound traffic will be moved to the south side of the roadway for speed hump installation.

The contractor is providing access for residents, businesses, Glendale High School, school buses, Glendale Urban Shuttle (GUS) and emergency vehicles via eastbound Myrtle Avenue. Please allow extra time when traveling through the construction zone as there will be traffic delays. Glendale and 67th avenues may be used as an alternate route.

Westbound Myrtle Avenue will reopen by 6 p.m., Friday, July 29, 2016. If you have questions about access during the closure, please call the construction hotline at (602) 264-6416.

Thank you for your patience and cooperation during this improvement effort.

### For More Information

### **Bulk Trash Collection**

Please click on the link below to view the bulk trash pick-up schedule. As a reminder, residents are asked to place bulk trash out no earlier than 6 a.m. on the Thursday before your scheduled service week and no later than 6 a.m. on the Monday of your scheduled service week. It is a violation of city ordinance to put bulk trash out before or after the assigned period. Failure to comply may result in enforcement action, including charges to the resident. <http://www.glendaleaz.com/sanitation/documents/2016BTSchedThurs.pdf>
